

## The Ben More Agreement

The Ben More Agreement is ideal for small to medium sized businesses.

For **£25.00 per month** you will receive:

- ❖ An initial consultation identifying the needs of your workforce
- ❖ 2 x 2 hour awareness raising sessions (one could be for staff and one for managers)
- ❖ 10% off **resolve** training courses
- ❖ 2 free places at our monthly breakfast briefings
- ❖ A monthly newsletter aimed at business managers and senior managers
- ❖ Access to our face to face wellbeing services delivered in our offices in Edinburgh city centre.
- ❖ Bi-annual report giving an overview of service usage; where trends are identified, feedback and recommendations will be provided
- ❖ **resolve** cards for your staff enabling them to access the service confidentially, without referral from you, freeing up your time to manage your business (30 cards are provided, additional cards are available at a small cost)
- ❖ Posters to promote the service within your business (10)
- ❖ Annual review

As with the Ben Lomond agreement, part of your initial consultation will be to decide upon a financial ceiling. We can advise you on this based on your absence rates and the nature of your business.

When an employee approaches us, we will undertake an in depth assessment identifying the appropriate therapy for them. Appointments with employees cost £75 and are usually offered in blocks of 6. If your financial ceiling is reached during the year, we will notify you and will discuss if you would like this to be extended.

You are in control - through **resolve**, you are providing a quality, validated support for your staff, within the budget you have set.
